

Ideation Phase

Define the Problem Statements

Date	19 September 2022
Team ID	PNT2022TMID34548
Project Name	Project – Smart Waste Management System for Metropolitan Cities
Maximum Marks	2 Marks

Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am	Describe customer with 3-4 key characteristics - who are they?	Describe the customer and their attributes here
I'm trying to	List their outcome or "job" the care about - what are they trying to achieve?	List the thing they are trying to achieve here
but	Describe what problems or barriers stand in the way - what bothers them most?	Describe the problems or barriers that get in the way here
because	Enter the "root cause" of why the problem or barrier exists - what needs to be solved?	Describe the reason the problems or barriers exist
which makes me feel	Describe the emotions from the customer's point of view - how does it impact them emotionally?	Describe the emotions the result from experiencing the problems or barriers

I am	I'm trying to	But	Because	Which makes me feel
Thasneem	resolve huge problem facing by public in order to dispose, segregate, and recycling of solid waste	wastes are the one which grows with the growth of the country	the common method of disposal of the waste is by unplanned and uncontrolled open dumping at the landfill sites	Frustrated

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Thasneem	resolve huge problem facing by public inorder to dispose, segregate, and recycling of solid waste	wastes are the one which grows with the growth of the country	the common method of disposal of the waste is by unplanned and uncontrolled open dumping at the landfill sites	Frustrated
